Logging in to Cloud Manager 1

Logging in to Cloud Manager

The Cloud Manager interface is accessible through a SaaS-based user interface by going to <https://cloudmanager.netapp.com>.

Steps

1. Open a web browser and go to <https://cloudmanager.netapp.com>.
2. Log in using your NetApp Cloud Central credentials.

The image shows the login page for NetApp Cloud Manager. At the top left is the NetApp logo, consisting of a blue square with a white 'n' followed by the text 'NetApp'. Below the logo is a blue link that says 'Continue to Cloud Manager'. Underneath that is the heading 'Log In to NetApp Cloud Central' in a bold, dark font. A horizontal line separates this heading from the text 'Don't have an account yet? [Sign Up](#)'. Below this are two input fields: the first is labeled 'Email' and the second is labeled 'Password'. Both fields have a light blue border. Below the password field is a solid blue button with the word 'LOGIN' in white, uppercase letters. At the bottom left of the form area is a blue link that says 'Forgot your password?'.
